

Working Conditions Survey for overseas residents and guest workers.

This short survey has been put together by Citizens Advice Guernsey and the Equality Working Group in preparation for a series of workshops on equalities during May and June <https://equality.gg/events/>.

It would be a great help if you could kindly take a few minutes to complete the survey. They are completely anonymous – we do not ask for your name or employer.

The closing date will be May 12th. Your answers will help us understand whether and what we need to do to improve working conditions.

The survey can also be accessed in several languages on www.citizensadvice.org.gg and saved responses can be sent to equalities@citizensadvice.org.gg

Many thanks,

Kate
